This change will affect Opto parts currently produced at Fairchild's manufacturing facility in Wuxi, China.

Description of Change:

The Fairchild's Wuxi facility originally scheduled for closure and transfer, as detailed in the Forecast PCN# 20033602 issued on 9/4/2003, will no longer relocate to a new location and will stay and operate from the same factory. Lite-On Technology will take over the ownership of Wuxi facility in March 2004.

Lite-On Technology will continue to use the same equipment, same material, same personnel and same process flow for all the products listed hereafter and thus the form, fit and function of the products are unchanged.
